

REMARKS/ARGUMENTS

The applicant has amended claims 2 and 3 to depend from claim 1. The applicant has also renumbered the claims after claim 8 to the end to eliminate a duplicate of some claim numbers that exists in the application as filed. The applicant has also amended the claim dependencies in accordance with the new claim numbering. The applicant now lists the final claim as claim 22, instead of claim 20. The applicant has submitted the extra claim fees for this application already, in the applicant's response to the Notice to File Missing Parts, which was filed on December 2, 2003.

Respectfully submitted,
